If you are an actor of the European research and innovation landscape, please join us on Thursday 18 November for an exceptional event with high value-added conferences and B2B meetings featuring Systematic's growing European ecosystem!

10:00 - 13:00 | CONFERENCE - Clusters at the heart of Europe's challenges

10:00 | Opening

10:05 | What role for European clusters in addressing the twin transition - green and digital transition - under Horizon Europe?

- Ms. Ulla ENGELMANN, European Commission, DG GROW
- Mr. Ola SVEDIN, Mobile Heights, Sweden
- Mr. Jean-Luc BEYLAT, Systematic Paris-Region, France

11:00 | What can clusters and their SME members get from EU projects:

- To develop their business beyond EU borders with European partners
- To innovate and accelerate with EU-funded projects (with testimonials from European clusters and SMEs).

12:00 | Find your partner(s) for the next wave of Horizon Europe calls!

Selected participants will have a chance to present their ideas for the next phase of Horizon Europe topics. As the number of slots is limited (5 minutes per organisation), pitch proposals will be selected by organisers.

12:55 | Conclusion

13:00 | End of conference

14:00 - 18:00 | 1 TO 1 BUSINESS MEETINGS with our bespoke matchmaking platform

Make the right connections within the ecosystems represented by our European cluster partners thanks to our matchmaking platform and build your EU projects' consortia.
